WORKIN COLORS

Inspirations stylées | Stylish inspirations

WORKINCOLORS
est la collection spéciale de looks
professionnels conçue par Payper
pour exprimer une véritable
invitation à exercer son métier
avec plaisir et passion.

Une incitation à travailler en couleurs, à se mettre à l'ouvrage avec joie et satisfaction,
grâce notamment aux vêtements proposés, performants, sûrs, confortables et stylés,
**à porter avec fierté, en créant les meilleures combinaisons pour une tenue
coordonnée idéale à tout points de vue**, tant pratique et fonctionnel
qu'esthétique et chromatique.

Les couleurs jouent en effet un rôle important dans le choix de vêtements de travail :
elles traduisent des valeurs et des sensations, répondent aux exigences de métiers
spécifiques et **deviennent les signes distinctifs d'une entreprise**. Et pour chaque
entreprise, petite ou grande, l'identité, la reconnaissance et le sentiment d'appartenance
sont des facteurs toujours plus importants et stratégiques.

De cette conscience est né **Workincolors** : non pas un catalogue classique,
mais un **album original** réunissant diverses tenues professionnelles sélectionnées
par Payper et qui jouent précisément sur les couleurs, leurs valeurs et leurs combinaisons,
**pour inspirer et faciliter la composition de l'uniforme de travail
le mieux adapté à chaque contexte.**

WORKINCOLORS
is the special collection
of professional looks created
by Payper which invites you
to carry out your job with
pleasure and passion.

An incitement to work with colours, to get down to work with joy
and satisfaction, thanks also to **the items we offer**, high-performance, safe,
comfortable and stylish, **to be worn with pride, creating the best matches
for a coordinated outfit, ideal from every point of view**, whether practical and
functional, or aesthetical and chromatic.

Indeed, when choosing work clothes, **colours** are very important: **they convey
values and feelings**, respond to the needs of particular professions and **become
the representative elements of a company**. And for every company, whether
large or small, its identity, distinctiveness and the sense of belonging
are increasingly important and strategic aspects.

Aware of this, we have created **Workincolors**: not a classic catalogue,
but an **original album** which collects several professional outfits chosen by Payper
precisely for the play on their colours, significance and combinations, **to inspire
and simplify putting together the work outfit most suited to each context.**

LA COLLECTION WORKINCOLORS EST COMPOSÉE DE 8 SECTIONS.

Dans chaque section, une série de clichés présente divers looks portés, tant dans un contexte neutre et que dans le cadre d'une mise en situation : toute la valeur ajoutée des combinaisons fonctionnelles proposées est alors mise en évidence, avec la garantie d'une protection adaptée dans toute situation, des niveaux de confort élevés et un style toujours reconnaissable.

Les revues photographiques des looks se concluent par une galerie technique, fournissant des informations utiles concernant aussi bien les articles portés par des mannequins que d'autres vêtements adaptés pour créer des tenues similaires alternatives.

WORKINCOLORS se configure donc comme un outil idéal d'aide aux détaillants, qui sont ainsi en mesure de proposer rapidement, avec goût et cohérence, l'uniforme le mieux adapté à leurs clients.

THE WORKINCOLORS COLLECTION IS DIVIDED INTO 8 SECTIONS.

Every section collects a series of photos with various modelled looks, both with a neutral context and on location: this highlights all the added value of the functional combinations suggested, which ensure appropriate protection in every setting, together with a high level of comfort and a clearly distinguishable style.

The picture galleries of the looks are concluded by a technical gallery which reports the information concerning both the articles modelled and other items of clothing suitable for creating alternative similar outfits.

WORKINCOLORS therefore represents an ideal tool to support sellers, who can suggest the best uniform to their clients, quickly, stylishly and consistently.

La collection propose également des assortiments avec du gris chiné et du bleu marine.

Electric blue, also known as royal blue or power blue, is the brilliant shade on which this Workincolors collection focuses. It is a colour which **conveys energy and reliability** at the same time and which is therefore well suited to represent in particular the world of **technical installers**, but also to provide a touch of **liveliness to very different professional fields**. The collection also includes suggestions for combinations with melange grey and navy blue.

COLORS

05 EFFICIENCY

Cette collection Workincolors s'étend jusqu'à l'**horizon des bleus**, dans ses **nuances les plus foncées**, comme le **bleu marine**, l'une des principales couleurs associées au **professionnalisme**. Voilà pourquoi de nombreuses entreprises l'utilise dans leur logo. Elle exprime en effet la **fiabilité**, le **sérieux** et l'**efficacité**, trois qualités essentielles dans **tous les secteurs d'activité, notamment dans les domaines de la production industrielle et de la logistique**. Et c'est justement pour répondre aux besoins de ceux qui travaillent dans ces secteurs, que la collection propose l'indispensable **gilet haute visibilité**.

This Workincolors collection ranges in **the blue horizon**, with its **darker shades**, like **navy blue**, one of the leading colours associated with **professionalism**. This is why it is also used by many companies as the corporate colour. In fact, it conveys **credibility, reliability** and **efficiency**, key concepts in **all working environments** but **particularly in the industrial production and logistics ones**. Precisely with these operators in mind, the collection also includes indispensable **high-visibility vests**.

PASSION
➤➤➤➤➤

Action, puissance, dynamisme, passion et attention: telles sont quelques-unes des valeurs incarnées par le **rouge**, qui occupe une place de premier plan dans cette collection Workincolors. Une collection imaginée en s'inspirant des significations de cette couleur, afin de donner **un coup d'accélérateur aux vêtements de ceux qui travaillent avec les moteurs**, en suggérant également des assortiments stylés avec le noir et le gris foncé. En transmettant des **sensations positives** et en stimulant l'**envie de faire**, le rouge est une couleur qui convient à tous ceux qui exercent des **activités pratiques et manuelles**.

Action, power, vitality, passion and attention: these are some of the main values linked to **red**, at the forefront of this Workincolors collection. A collection created first of all precisely inspired by the meanings of this colour, to provide **an extra spin to those who work with engines**, suggesting stylish combinations with black and dark grey too. By conveying **positive feelings** and by stimulating **the will to do**, red is in any case suitable for all those who carry out **practical and manual activities**.

07 RATIONALITY

Entre le blanc et le noir, le **gris** est considéré comme la couleur **neutre par excellence**, et donc associé à des qualités comme l'**objectivité**, l'**équilibre** et la **rationalité**. Une couleur **moderne**, très liée au **design**, qui rappelle le **monde industriel** et l'**univers des métaux**, notamment celui du **fer** dans ses nuances les plus foncées. C'est précisément aux professionnels utilisant ce type de matériaux, tels que les **serruriers**, qu'est surtout dédiée cette collection Workincolors, qui comprend également des **gants et des accessoires de protection**.

In-between white and black, **grey** is considered the **perfectly neutral** colour, this is why it is associated with the meaning of **impartiality**, **balance**, **rationality**. It is a **modern** colour, greatly connected with the field of **design**, which calls to mind **the world of industry and of metals** and in particular, in its deeper shades, of **iron**. And it is precisely to the professionals who work with these materials, such as **blacksmiths**, that this Workincolors collection is dedicated to first of all, and that it includes **specific protection gloves and accessories**.

08 VISIBILITY

Jaune et orange fluo sont des couleurs qui **se voient de loin** et qu'il est important de porter s'il est nécessaire de **se faire remarquer** pour des raisons de **sécurité**. Elles font partie de cette collection Workincolors, qui reprend un certain nombre de vêtements **haute visibilité** du catalogue Payper, avec des propositions **pour chaque saison**: un incontournable pour les personnes qui **travaillent sur les routes, en plein air, sur des chantiers** et chaque fois que la **meilleure protection est d'être bien visible**.

Yellow and orange fluo are colours which **stand out** and which it is important to wear when needing to **be noticed** for **safety** reasons. In fact they are a feature of this Workincolors collection, which brings together some of the main **high-visibility** clothes from the Payper catalogue, with suggestions **for every season**: a must-have for **road operators, for those who work outdoors, in sites** and in all those conditions where **the best protection is to be highly visible**.
